Judge Varian,

3:07-cr-51

Clerk, U. S. District Court  
Eastern District of Tennessee  
At Knoxville

I am individual Washonda Hall @  
Fci Tallahassee, Florida. I hope this letter  
finds you in the best of health, considering  
all that is going on out there in the world  
today. It has been on my heart for some  
time now to reach out to you to express  
my sincerest, deepest apologies for my past  
actions. I am writing to you in hopes for a  
second chance at life on the outside of these  
walls. I humbly ask that you as my Judge  
to have mercy and compassion to commute  
my sentence on the First Step Act 924(c)  
stacking. Although it was not made retro-activ  
Judges are honoring it anyway and I have  
seen people walk out of here immediate  
release. Tallahassee has become infected  
with the COVID-19 virus and the cases are on  
a rise daily. I was one of the names on the  
list for Home Confinement under the Cares Act.  
They called me to sign all the necessary  
paper work and told me I would be going  
home cause I fit all the criteria despite  
my sentence. 2 weeks later a new memo cam  
down for 50% of time being served and

they pulled the plug on me. If I can get relief from the 924(c) stacking which was never intended for a first time offender such as myself I would qualify for Home Confinement under the Cares Act.

I am 12 years and so many months into my journey of incarceration. I have spent the entire time rehabilitating myself to become a better person so that I may become a tax paying productive citizen upon my re-entry of society. I have completed numerous classes that I can use to make my past mistakes my future stepping stones to succeed in life. Allow me the opportunity to be defined by my future accomplishments and not the mistakes of my past.

I have completed the Non-Residential Drug TMT, Drug Education, Drug Abuse Program. I have also obtained my Serv Safe and Food Handlers Certification. I have completed my Vocational Training in Electrical with Core Safety Training Certificate with my NCEER card that guarantees me a job (Even with OSHA) I have enclosed copies of my Program Team Packet and Certification from Culinary. I have

also included a few cases that were granted relief on the 924(c) stacking.

I am a first time non violent offender and I deserve a second chance to right my wrongs and give back / pay it forward to my community. I will not be a disappointment. I thank you for your time and attention to this humble plea.

I have the support of my family, The Can-Do Foundation who helps tremendous! with trying to get me clemency. Also Cut 50. The African Mayors Association who wrote a letter on my behalf to the President for clemence I have had 3 reporters do articles on me for clemency as well. And a petition on Change.org as you can view all this on The Can-Do foundation about me and all that <sup>is</sup> being done on my behalf.

Thank you.

Sincerely,

LaShonda J. Hall #31779-074

SUBJECT: article supporting your clemency  
DATE: 04/02/2020 05:51:09 PM

Hi LaShonda,

A reporter is writing articles on several cases and here is the one he wrote up about you:

Supporters urge clemency for LaShonda Hall  
By April Bamburg | Mar 4, 2020

When President Donald Trump granted clemency to several individuals on Feb. 18, he included three women who were in prison for non-violent offenses. There are still many more who deserve clemency, according to their supporters. That includes LaShonda Hall.

"She wants to let others who are going through what she went through know they have other options," said a letter of support from Alice Marie Johnson, a prison reform advocate and former federal inmate who served five years in prison with Hall. "LaShonda wants them to know that it is not worth the pain and grief that her family has endured because of mistakes like hers."

Hall, 45, is a first-time non-violent offender, convicted of conspiracy, money laundering, and aiding and abetting. She was sentenced to 45 years and 8 months in prison, and she is 11 years into her sentence.

She was denied clemency by the previous administration.

According to Johnson, Hall's story started with an abusive relationship and moved to a new man who told her he was involved in real estate. About a year into the relationship, she learned that her new beau was a drug dealer. One of his associates told her to pick up some money and a note for her boyfriend. She rewrote notes to make them more legible and on his request, deposited money into his account. "She realizes and admits that she was wrong for her participation," Johnson wrote.

Following her arrest, the prosecutor charged Hall with conspiracy and offered to drop the charges if she testified against her boyfriend, and she refused.. The next day, the prosecution added more charges. After her conviction, she was sentenced to 45 years, on a first offense.

In advocating for Hall to receive clemency, Johnson, who was granted clemency by Trump in 2018, wrote that Hall has taken responsibility for her part in what happened, earned her GED, and has taken college-level courses including psychology and computer programming.

Hall has the support of the African American Mayors Association, the CAN-DO Foundation, family, friends, and her community. She would reconnect with her son, who was 11 when she went to prison, and would be a positive community influence, said Johnson.

are they still taking you over to UNICOR during the lockdown and are they making PPE (protective gear) products there at Tallahassee?

LASHONDA JAVON HALL on 4/4/2020 1:34:19 PM wrote

First, let me start by saying how remorseful I am about my behavior. I want to deeply apologize to my son, family members, friends and all of the people whom I so deeply hurt. I want my son to know how much I love him. He was 11 yrs of age when I left him with my mom. Now he's an adult. Age 24. I look forward to being back with him and my family again. Being a loving caring, mom and giving back to my community. I am a first time non-violent offender that has spent the last 12 yrs of my life confined. I truly deserve a second chance. I have been rehabilitating myself during my entire incarceration. I am determined to use my past mistakes as my future stepping stones to succeed in life. I choose to be defined by my future accomplishments and not from my past mistakes.

This is beautiful Amy!!! Thank you... As far as my classes are concerned. I've recently completed Serv Safe and Food Handlers test. I have also completed several classes prior to arriving here in Tallahassee. The certification is real. It is Board Certified in the food area. I also have a few Vocational Training Certificates, known as the VT classes. I also have my Electrical/Core Safety complete w/my NCCER card along with My Electrical Apprenticeship, Introduction to Skilled Trades. Which can be verified on the website: www.nccer.org. I have completed some college courses through Pier Ponto Community College. Business Plan Development, Mentorship & Business, Business Analysis, Critical Thinking and Funding your Venture, Intro to Entrepreneurship in which all of this will navigate with me home, upon returning home. I plan to continue my education by taking some online courses, and I will be able to transfer my credits . I also have completed "The Non-Residential Drug TMT", Drug Education, and Drug Abuse program. I've applied for the Business Management classes offered here at Tallahassee, however, the waiting list is so extensive, until I'm not certain I will be able to participate. I wasn't able to enroll in the Home Inspectors, due to limited availability, but I am currently enrolled in RPP classes . I am also actively working at Unicor.

Another reporter is writing about you and has asked to speak to me.

Anything NEW you want me to address and cover. Here are the questions he has asked me to answer.

wanted to ask you:

Why are you supporting clemency for LaShonda? Can you tell me about the Can-Do Foundation? Can you tell me a little more about LaShonda? Why do you believe LaShonda deserves clemency? Anything you would like to add?

Tell me about some of the more recent classes or accomplishments you have achieved in there so I can punch them up.. What about your kids...anything heart wrenching I should say - family issues, etc.

Thanks LaShonda. You just keep healthy, ok? We are SOOOO close! It's so crazy that we are finally at the intersection for people to come home and now this damn COVID happened - what are the odds - just pray the devil backs down and do NOT use the phone without it being sanitized or touch surfaces that others touch without washing your hands. I can't wait to one see you one day and squeeze you in a bear hug!
